

Lobby – ITC Sonar, Kolkata

ITC Sonar, Kolkata

Lavishly laid out over 16 acres of lush green gardens & tastefully landscaped water bodies, overlooking the city's green belt, ITC Sonar, a LEED® Platinum certified hotel in the Existing Building category is a tribute to the Golden Era of Bengal in the City of Joy.

Planned as India's first business resort, ITC Sonar in Kolkata is the chain's gateway to the East. Here traditional values and a modern uncluttered format come together in a seamless amalgamation of pleasing design that is mindful of the environment. The first hotel in the world registered by the United Nations Body on Climate Change for Carbon Emission Reduction, ITC Sonar captures the very essence of Kolkata through its greenery and waterbodies, reminiscent of the 'baganbaris' or garden houses of yore.

ITC One offers premium rooms provided with comprehensive in-room facilities for corporate leaders. An exclusive block houses The Towers which offer ultimate luxury for the global business traveller. A separate Executive Club wing is for the discerning business traveller. And there is specially designed Eva Floor for the single lady traveller.

A state-of-the-art Business centre caters to the needs of business meetings. The local reverence for culinary arts is captured in the six premium restaurants and superb banqueting areas. The conference venues offer facilities that are second to none in the city.

There can be no better way to relive the days of the Raj than in the pomp and splendour of ITC Sonar, while business takes care of itself.
